EMPOWERING THE FUTURE

*Where Global Leaders Shape the Future of
Workplace and Facilities Ecosystems*

ORGATEC INDIA

Revolutionizing the Future of Workspaces

As businesses and workspaces in India evolve with technological advancements, ORGATEC India aims to be the premier platform for innovative office solutions. Part of the globally recognized ORGATEC brand, this B2B exhibition will highlight the latest trends in office infrastructure, furniture, design and technology, uniting industry leaders from around the globe.

Why Orgatec India?

India's corporate sector is experiencing significant growth, fueled by multinational corporations, co-working spaces and the demand for smart, energy-efficient environments. As the leading trade fair for workplace innovation, ORGATEC India will showcase products, services and technologies shaping modern workplace and facilities.

This event serves as a platform for exhibitors, visitors, and industry experts to connect, explore business opportunities, and exchange insights on workspace transformation trends.

KEY FOCUS AREAS

Smart Building Technologies

Showcasing intelligent management systems, energy-saving solutions, and IoT-driven technologies that optimize resources, enhance energy efficiency, and promote sustainability in office environments.

Office Design & Innovation

Highlighting ergonomic furniture and modular setups that create functional and aesthetically pleasing spaces to enhance employee well-being.

Flexible & Collaborative Workspaces

Featuring solutions for dynamic workspaces that support hybrid models and foster collaboration, creativity, and productivity.

Technology Integration

Presenting solutions for seamless hardware and software integration, including cloud computing, smart security, AI automation and hybrid work technologies.

A Must-Attend for Industry Professionals

Whether you're a corporate leader, facility manager, admin head or technology provider, ORGATEC India offers insights and innovations to transform your workplace. This event is designed to address the needs of today's fast-paced business environment, delivering top global solutions for the Indian market.

Join us at ORGATEC India to shape the future of workspaces and facilities: where technology meets design, innovation meets opportunity, and workplaces become smarter and more people-focused than ever.

INDUSTRY HIGHLIGHTS

India's Office Sector Growth

Global Capability Centers (GCCs) are projected to lease **40-45%** of total office space in India this financial year, according to CBRE. By 2025, over **1,900 GCCs** are expected to support a talent pool of over **2 million**, leasing approximately **45-50 million** square feet of office space—about **40%** of total demand across the top six cities.

Office Furniture Market

The office furniture market in India reached **\$5.2 billion** in 2023 and is expected to double by 2032. This growth is driven by demand for collaborative and adaptable solutions, including height-adjustable desks, ergonomic chairs, and open-plan layouts.

Co-working Spaces on the Rise

India's co-working market is estimated at **\$1.94 billion** in 2024 and is projected to grow to **\$2.72 billion** by 2029. This trend is gaining traction not only in major metros like Delhi, Mumbai, and Bengaluru but also in tier 2 and tier 3 cities, reflecting a broader acceptance of flexible work arrangements.

Energy Efficiency & Smart Building Systems

The Intelligent Building Management Systems market is projected to grow at a CAGR of **18.5%** from 2022 to 2027, reaching **\$22.4 billion** by 2027.

NAVIGATING THE CHANGE

Evolving Landscape of Smart Workspace Facilities

Facility Management Growth

- Valued at \$27.72 billion in 2024.
- Expected to grow at a CAGR of 13.87% through 2030.
- Emphasizes the importance of effective facility management for enhanced operational efficiency.

Office Technology Growth

- Projected to reach \$25 billion in IT products (laptops, servers, cloud systems) in three years.
- Growth driven by hybrid work models, cloud computing, and workplace automation.
- Expected to grow at a CAGR of 12.17% from 2024 to 2032.
- Driven by initiatives like Smart Cities and Digital India.
- Adoption of IoT solutions (automated security, energy management) is transforming offices into smart, sustainable environments.
- Sustainability Initiatives.

Increased adoption of renewable energy and energy-efficient systems.

Building Energy Management Systems (BEMS) market projected to more than double by 2027, providing significant cost savings and environmental benefits.

EXHIBITOR PROFILE

Smart Facility Technology

- Building Automation Systems (BAS)
- Energy Management Systems (EMS)
- Internet of Things (IoT) Devices
- Smart Lighting & HVAC Optimization
- Security, Access Control & Surveillance Solutions
- Renewable Energy & Energy Storage Systems
- 5G Connectivity & Fiber Optic Infrastructure

Office Furniture, Fixture & Equipment Supplies

- Ergonomic Office Furniture (Desks, Chairs, Tables)
- Height-adjustable Desks & Modular Furniture
- Storage Solutions (Cabinets, Filing Systems)
- Vending machines, IoT devices, Printers, Breakroom Furniture & Accessories
- Office Fixtures (Lighting, Windows, Doors, Flooring)
- Interior & Office Design Solutions
- Workstations, contract furniture, lounge furniture
- Office & Office Facility Equipment / Contract Business
- Furnishings, acoustics, flooring, switches for office & the contract business

Workplace Automation & Tech

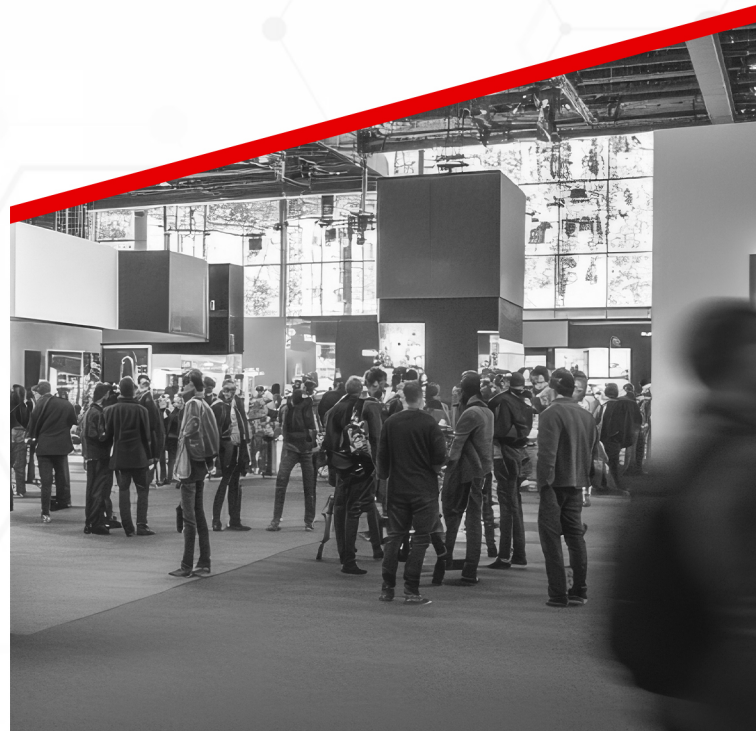

- Return-to-Office Technology (Employee Registration, Desk Booking)
- media technology (Video Conferencing, Instant Messaging)
- Visitor Experience Technology (Parking, Registration Systems)
- Cloud Computing, Servers & Data Storage Solutions
- Cybersecurity, Access Control & Office Software
- IT, telecommunications, software & services

Facility Services

- Consulting Services (IT, Marketing, HR, Real Estate)
- Facility Management & Security Services
- Health, Wellness & Employee Benefits
- Office Supplies & Consumables (Stationery, Printers, Coffee Machines)
- Tech Support, Waste Management & Event Services
- Corporate Housekeeping Service
- Office Facility Planning, Construction & Management
- Organizational/Planning Systems, Office Supplies, Accessories
- Banking, insurance, transport, hospitality

Office & Co-working Spaces

- Commercial Office Space Developers
- Corporate Offices & Business Parks
- Private Offices (Fully Equipped, Customizable)
- Co-working Spaces (Dedicated, Shared) Virtual Offices & Meeting Rooms

VISITOR PROFILE

Real Estate & Facility Management

- Developers, Owners, Managers of Commercial Spaces
- Facility & Procurement Heads
- Building Administrators & Office Managers
- Real Estate Developers & Corporate Office Owners
- Co-working Space Owners & Operators

Architects, Designers & Consultants

- Office Space Designers & Interior Architects
- Office Automation Consultants
- Electrical Consultants, Engineers & Contractors
- Project Management Companies

Corporate Professionals

- Corporate Offices & MNCs Representatives
- Human Resource Managers & Admin Heads
- Purchasing Managers for Office Equipment & Services
- Secretaries & Assistants to Management Boards
- IT & Data Security Managers

Industry Sectors

- SMEs & Start-ups
- Global Capability Centers (GCCs)
- Smart City Officials & Urban Planners
- Hospitality & Hotel Planners
- IT, Energy & Engineering Companies

Channel Partners and Trade: Franchisees, Dealers, Distributors, Retail Stores

- OEMs & Office Product Manufacturers
- Distributors & Dealers of Office Furniture & Technology
- Importers / Exporters of Office Supplies & Solutions
- Technology & Service Providers (BMS, IoT, IT Solutions)
- Consultants & Research Firms
